

Life Changing Spinal Innovation

## PRODUCT CATALOG

Upper & Lower Spinal Orthotics

# OVER 25 YEARS

of Research & Development

Aspen Medical Products® is a leader in the development of innovative spinal bracing for post-trauma stabilization, pre- and post-surgical stabilization, pain management and long-term patient care. Aspen Medical Products offers multiple orthotic options that provide unsurpassed motion restriction, superior comfort and an economic advantage, encouraging better patient compliance. The company occupies a 51,000 square-foot facility in Irvine, California and has local representatives throughout the United States as well as representation worldwide.

### Spine Indications

#### Aspen TLSO

- Decompressive procedures - epidurals
- Post operative support / pain relief
- Kyphosis secondary to osteoporosis
- Scoliosis with musculoskeletal pain
- Degenerative disc disease
- Bulging or herniated disc
- Fracture management
- Spondylolisthesis
- Spinal stenosis
- Spondylosis
- Severe DJD

#### Aspen LSO · Aspen LSO LoPro

- Post operative support / pain relief
- Deconditioned trunk musculature
- Post laminectomy syndrome
- Decompressive procedures
- Degenerative disc disease
- Bulging or herniated disc
- Insidious low back pain
- Chronic low back pain
- Fracture management
- Spondylolisthesis
- IDET procedure
- Spinal stenosis
- Sprain / strains
- Facet syndrome
- SI dysfunction
- Radiculopathy
- Spondylosis
- Severe DJD
- Sacrolitis
- Injections
