Trend Colours 2024 / 25

Blossom with our Trend Colours!

Now your compression shines in all the colours of nature.  
They accentuate your personality and your individual style.  
Get inspired by our selection of gorgeous flowers and bright leaves!

# wild red

... is sophisticated yet energetic.

The wild form of the Japanese maple gives you an intense red. It dances in the wind and gives you inspiring strength and sparking joy.

Seductive, sensual and sophisticated.  
Bring out the passion and elegance in  
your outfit with this dark red shade.  
Turn heads in Wild Red!

wild red

# sunny yellow

... spreads joy everywhere.

Yellow chrysanthemum brings happiness, prosperity and joy. The queen of the autumn flowers will bring a smile to every face.

# sunny yellow

Thinking of this bright yellow, you can feel the sun on your skin. Wear pure joy of life with Sunny Yellow and turn your look into a creative highlight!

# endless green

... is true magic!

Experience the spark that will enchant you with its energy and freshness. In the past, the fern was considered a truly magic herb. It was admired by everyone and you can also enjoy this admiration when wearing this colour.

This stunning green inspired by the natural world will make you feel full of life, harmony and health. Compression garments in Endless Green will provide mental strength all day long.

endless green

# beautiful blue

... is simply wonderful.

The gorgeous flowers of the hydrangea are a true statement of nature. Thousands of blue petals create an impressive play of colours. A real treat for the eyes!

# beautiful blue

Blue spreads positive thoughts and self-confidence. Immerse yourself in pure serenity and feel naturally beautiful in Beautiful Blue!

# lovely rose

... you just have to love it.

Flowers are the smile of the earth. With a twinkle in its eye, the pink chrysanthemum exudes charm and a touch of romance everywhere.

# lovely rose

Rose takes you on a journey of effortless femininity. You and your compression garment in Lovely Rose – that's love at first sight. Emphasise your soulful side with this delicate shade.

# powerful pink

... pops like a brilliant firework.

Pink chrysanthemums transform any garden into a spectacle. The summer sea of flowers bubbles with irresistible joy.

power

If self-confidence had a colour, it would be bright pink. It strengthens you from the inside out. Flourish and thrive in Powerful Pink!
