

COMFORT R

The extra-large seat and ergonomic handlebar make the Comfort R feel great no matter how long you ride, and ViewFit connectivity simplifies workout tracking so you can stay on track toward your goals. Plus, the integrated transport handle makes it easy to move and store your bike when you're not working out.

FEATURES

- Unique step-through frame for increased accessibility
- Innovative Cardio Compass heart rate display for visual exertion feedback
- Ergonomically designed grips for a comfortable hand position
- Thoughtful, unique storage to keep water and towels within reach
